Encourage

Engage

Empower

Three distinct ways you can serve:

The caring individuals who volunteer with UCP often have a personal history with or connection to our mission. But that's not always the case. Our volunteers come from all walks of life... and are often looking to give back to their local community in some way. One characteristic they have in common: they all hope to make a meaningful difference in the world around them.

Governance

UCP is governed by an all-volunteer Board of Directors and advisory committees that provide oversight and guidance in four key areas:

- **Human Resources**
Review, approve and monitor HR strategy, policies, and legislation
- **Program and Services**
Evaluate and monitor quality of service provision, incident management, and legislation
- **Operations and Finance**
Review, approve, and monitor financial performance, policies, expenditures, and audit
- **Community Relations and Development**
Define, evaluate, and monitor marketing, communication, and fund development strategies

Program and Service

These volunteers work alongside our staff and participants to provide opportunities for engagement both on site and out in the community. As a UCP program and service volunteer, you:

- **Encourage** participants to stretch their boundaries
- **Engage** individuals in the world around them
- **Empower** others to live fuller, more independent lives

Event

Volunteer committees work with UCP Community Relations and Development staff to plan a series of fundraising events throughout the year, including:

- **Magic Night Gala**
- **Highmark Walk for a Healthy Community**
- **Sports Memorabilia Auction**
- **UCP/SchmidtKramer Golf Tournament**
- **Annual Holiday Gift Wrap**

Thanks to the efforts of our volunteers, these events raise approximately \$200,000 per year in support of unfunded and under-funded services of UCP Central PA.

No matter your motivation or the area of service you choose, as a UCP volunteer, your time and talents will enhance our reach into the community. In turn, you magnify the impact we are able to have on the lives of people of all ages and abilities across central Pennsylvania. Whether you sign up as an individual or as part of a group--for a few hours or a few months--we invite you to explore the many opportunities available all year long. Contact us to learn more.
