

**I stay at UCP because....** I feel like I am making a difference in the lives of our clients. I realize how important it is for everyone to have the help and care that they choose. Having the right support in your life makes ALL the difference to successful outcomes.

**My advice for new staff...** UCP/AWC can help you make a difference in the lives of so many others and will go above and beyond to help you meet your own personal & professional goals.
