

“UCP, Since ‘53”*

We've been right here in Central PA
Serving the public for seven decades
From children just born to those in senior years
UCP Central PA has been there through the years

UCP is the place where all belong
Life without limits...All are Welcome
UCP, Since '53

Formed by parents joining together
Empowering people to live a meaningful life
One team one mission, 22 counties strong
A focus on abilities, where everyone belongs

UCP is the place where all belong
Life without limits...All are Welcome
UCP, Since '53

There are many parts to this organization
Agency with Choice, Home and Community,
Employment, Childhood & Ancillary,
Residential, CPS, One Team

UCP is the place where all belong
Life without limits...All are Welcome
UCP, Since '53

UCP is the place where all belong
Life without limits...All are Welcome
UCP, Since '53

UCP, Since '53
We've been here since '53
